Chief of Police

Dear Dennis:

As I prepare to end my term as President of the Maryland Chiefs of Police Association I wanted to thank you for your work as Maryland's Director of Homeland Security.

2nd Vice President

Douglas DeLeaver
Chief of Police
Maryland Transit
Administration Police

I can honestly say that Maryland is much better prepared today to address the challenges of homeland security than it was prior to you taking office. It became obvious to me as I entered this position that you really cared about law enforcement issues and you took the time to listen to problems as I brought them to you. One of the first concerns I raised was the lack of representation of law enforcement at MEMA. You quickly took action and we now have permanent representation. Your initiative at MEMA has been applauded many times by our members. This of course is only one example of your leadership I have witnessed over the past year.

Sergeant-at-Arms

Douglas Holland
Chief of Police
Hyattsville, MD

Again, I just wanted to personally say "thank you" for your hard work, dedication, and caring attitude. I look forward to working with you in the future.

Immediate Past President

James R. Craze
Chief of Police
Greenbelt, MD

Sincerely,

Executive Director
